

JAMAICA UROLOGICAL SOCIETY

JAMAICA UROLOGICAL SOCIETY NEWSLETTER

WEBSITE LAUNCH

Owed to the launch of The J.U.S. website, the Society is even more so, now able to reach our clients and divulge a wealth of much needed information across Jamaica and the Globe at large. This website will provide doctors and the public with much needed resources and content, so doctors can more effectively perform their services and broaden the knowledge base of our citizens.

2012 CONFERENCE

The Jamaica Urological Society & The Caribbean Urological Association, hosted the Annual Symposium last Sunday, February 26, 2012.

The event was held at 14-20 Port Royal St. Kingston Jamaica.

The featured speakers were, Professor Mark Soloway; specialist in Uro-Oncology, of the University of Miami School of Medicine and Professor Richard Santucci; specialist in Urethral Reconstruction, from the Detroit Medical Centre.

Presentations were made on a wide variety of topics related to urological issues.
